Item No	Detail	Action (if applicable)
1	<p>Why is the FB PA page now public?</p> <p>It was made public so that anyone can find it and read posts on it. Those who wish to join or post need to be approved by the admin. CB, Molly and Gill are currently admins. Admins monitor the posts to ensure nothing unsuitable can be posted. Molly suggested that the PA refers it back to PL. Lk was concerned that it could become a fest for complaining. CB reset it to private until PL has commented.</p>	PA to address it with PL at next meeting
2	<p>Commendations, certificates, awards:</p> <p>LK explained that Sandra, who is the sole person who deal with all of this, has been away. Context: sanctions only tend to be a small number but commendations can run into thousands. This is further exacerbated by the Excel spreadsheet being messed up when some students were removed from it incorrectly. A former head of house will take responsibility and revamp the system for September 2019.</p> <p>Lk will look into holding a sports presentation evening.</p> <p>Ginny Cunliffe wanted to express thanks to Dr Stites for the careers fair as most years appeared to get a lot out of it.</p>	

NB. These minutes are only circulated to attendees and apologies
