

# IB RESULTS DAY INFORMATION – What should I do if I don't like my result?

Guidance from Ms Tucker, Examinations Officer ([ctucker@tbgs.torbay.sch.uk](mailto:ctucker@tbgs.torbay.sch.uk))

You can use one of the attached forms: IB Remarks (Enquiries Upon Results), or IB resits (November). You will need to act quickly to submit any of these, because after Wednesday 12 July, there will not be any correspondence with the Exams Officer until Tues 15 August 2023, at the earliest. So, if you have not logged your remarks before 2pm, Wednesday 12 July, they will not be processed, and if you have not booked the re-sit for November by 2pm, Wed 12 July, then there are extra costs too. The costs are outlined below. **NB: Invigilation for resits will be charged at £13 per hour, divided between the number of students re-sitting the specific exam – so actual costs for invigilation will be worked out AFTER all entries are finalised, and will need to be paid PRIOR to sitting your exam. E.g. 2 students sitting Biology HL – 3 papers total = 4hrs 30 = £58.50 = cost per student £29.25 (If only 1 student sits, then the full cost will be met by that 1 student).**
